

Chandler Elementary

11/27/2022

- Happy Thanksgiving! Please stay safe! No School November 21-25. See you on November 28.
- Don't forget about Movie Night! Friday December 2.
- Classes that earned prizes from the FunRun are tentatively scheduled to receive those prizes on December 9.
- Also as part of the FunRun students that raised a certain amount will have the opportunity to make Mr. Skoll into a sundae. That will take place on December 16. Parents will be able to attend.
- We will have a Winter performance on December 15. Please plan on attending. Our performances will take place first thing in the morning.
- Students have access to online help on any work while at home by logging on to paper.co through Schoology. Students will be given more information on paper.co between after our return from Thanksgiving Break. This information will include training and opportunities to practice with paper.co.
- Does your student have a device at home? If your student does not have one, you can get one for free through the district. The device belongs to the student for as long as the student is enrolled in LAUSD. Log on at device.lausd.net to request your device.
- Do you have a Kindergarten or 1st grade student? Are they already bilingual? By meeting some simple requirements they may be eligible for the district's [Promise to Bilingualism Award](#). Please email matthew.skoll@lausd.net with your students name.
- How about a 5th grader? Do you have one of those? Can they read and write in English and another language? They may be eligible for the [Pathway to Biliteracy Award](#). Please email matthew.skoll@lausd.net with their name.
- Plans for acceleration days are still being finalized. Not every school in the district will have acceleration days on their campus. We do not yet know if Chandler will host acceleration days. If you have already responded to the district survey and need to change your mind there is nothing that you need to do.
- Valet Continues! This week we need volunteers from Ms. Truex's class. After that we will need volunteers from Ms. Rubin's' class. Please [see the schedule](#) to know when it is your class' turn.
