

Chandler Elementary

6/5/2023

- Last Week of school schedule. Lunch is still served each day.
 - Monday June 5th dismissal at 12:43
 - Tuesday, June 6, dismissal at 1:23
 - Wednesday, June 7 - Friday, June 9, dismissal at 12:43
- Beyond the Bell applications for next year are now available. Space is extremely limited. Beyond the Bell consists of YDP for students in TK-3 and YS for students in 3rd - 4th grade. Students in YDP must stay until 6 PM each day and have a more structured program. Applications are available [here](#).
- Previously we have asked families to complete a lunch application, whether they qualify or not. Moving forward this will no longer be the case. Instead families will need to complete a household income form. The household income form can be found at hif.lausd.net. Our goal is to have 100% of our families complete the form. Families may start doing so now for next year.
- We are anticipating an updated school calendar for next year. Three weeks of Winter Break and a different first day of school. As soon as a calendar is available we will let you know.
- End of year report cards are only distributed at the end of the day on the last day of school, June 9.
- Valet Continues! This week we need volunteers from Mr. Cabrer's class.
- The district has many summer options. Half day instructional support programs are one option. This is a traditional academic summer school. Expanded Learning Programs are also available for all students. This is enrichment and summer programming. This is more of a "summer camp" program. We will have this program at Chandler. The Chandler program will be run by the district partner, YMCA. The district is also offering virtual enrichment programs. For complete information please visit the [Summer of Learning](#) website.
- The parents of 1st grade students should have received a letter from the district regarding a \$25 dollar savings account that was opened for your child to start their college savings account. The program is called the Opportunity LA Children's Savings Account Program. If you have questions or need more information, please email the team at CIFD.Opportunity@lacity.org
- LAUSD and its partner, Renaissance Learning have partnered to create a summer reading program. Please check out the information in their [Family Kit](#). In addition there are other [reading resources available for students](#) over the summer.

- Chandler Elementary is looking to hire a Community Rep for next year. This position is two hours a day five days a week. If you are interested in this position please send a resume or equivalent to me. This position is funded on a yearly basis. The annual salary for this two hour position is roughly \$7,000
- **Important 5th Grade Culmination Information**
 - Culmination is Thursday June 8 at 8:30. Fifth grade students should arrive at their regular time of 8:00 am. The culmination event will take place on the blacktop at Chandler. This event should be short and take roughly 30 - 45 minutes. We will call each student up and say their name. There will not be seating for guests and there is no stage. Audience members will need to stand in order to see. Guests will be admitted beginning roughly at 8:15 through the main gate by the front door of the office.
 - Culmination dress code for boys is, dress slacks, dress shirt, clean comfortable shoes. Ties, sport coats or suits are optional. Boys are not to wear tuxedos, tails, ruffled formal type shirts or hats. The dress code for girls is a dress/skirt and blouse and/or dress pants appropriate for this special occasion. Flat or low heeled shoes, also clean and comfortable. Girls are not to wear long or formal dresses, spaghetti strap tops, strapless or backless dresses or tops. Girls also are not to wear high-heeled shoes, hoops or evening gowns, long jewelry, gloves or hats.
 - Additionally, we know that this is a time when many parents want to take their fifth graders to lunch, students will be allowed to leave at the conclusion of culmination with their parents only if they sign out through the child's teacher. If parents wish to take younger brothers and sisters who attend Chandler to culmination, they must come through the office.
