

Chandler Elementary

1/22/2023

- Emergency Supply Drive this week! [Click for information.](#)
- Please have your students participate in the district reading challenge. Students can access Renaissance myON through Schoology in order to participate. Details can be found on [this flyer](#).
- Continue sending students to school. Too many students are missing too many days. We understand that children will get sick and need to stay home occasionally. Unless students have a fever above 100.4 or have a cough or are congested they should be coming to school. Read this [flyer](#) for more details and how to determine if an absence is excused or unexcused. Any student that has a combination of excused or unexcused absences that equals ten or more in one school year is considered chronically truant.
- The Great Kindness Challenge is this week. Students can participate in various activities. Show your school spirit. [Dress up days and special events each days.](#)
- Coffee with the principal on Monday January 23.
- GATE testing for 2nd grade students is coming up in early March. The district is providing only one opportunity for parents to get information about this test. The district will provide a webinar on February 7 via Zoom. The Zoom link is [lausd.zoom.us/j/ 84147822281](https://lausd.zoom.us/j/84147822281). This is only for 2nd grade students. GATE 2nd grade testing is conducted using the OLSAT test.
- Valet Continues! This week we need volunteers from Ms. Adamian's class. After that we will need volunteers from Mr. Gilmore's class. Please [see the schedule](#) to know when it is your class' turn.
- The district is hosting the 15th Annual African American Parent Empowerment Summit on Saturday, February 11. All the details are [available on this flyer](#).
